August 21, 2019

Dear Caregivers,

Each year at Alpha School, we strive to support the caregivers of our students by offering a monthly “Caregiver Night”. We want to make sure we are meeting not only the needs of each student, but also those responsible for their care. We would love to hear your opinion on topics you would like discussed during each Caregiver Night. Please consider attending our “Back to School Ice Cream Social” to share your ideas with the Alpha Social Workers.

**Thursday, September 5th from 6:00-7:00 PM**

As a reminder, Alpha School staff will provide childcare for your student and any other children in your care during this time.

Please have your child return the bottom portion of this form to their classroom teachers for positive points no later than Tuesday, September 3. Your child can still earn positive points even if you are unable to attend. In addition, if you are unable to attend but plan to attend further events, please reach out to your classroom social worker to share your topic interests.

Sincerely,

Mrs. Stevens, Ms. McFarland, and Mrs. Border
Your friendly Alpha School Social Workers

---------------------------------------------------------------------------------------------------------------

*Please return this portion of the form by Tuesday September 3rd*
